Peaceful Easy Feelin' [original Eagles]	**Peaceful** (Pillars of Trust) **Easy Feelin'** [not-so original Vangilder]
I like the way sparkling earrings lay Against your skin so brown And I want to sleep with you in the desert night With a million stars all around	I like the way **CONSISTENCY displays**, Against your **name** so **renown** And I want **COMMITMENT** to the **mission tonight**, With a million issues all around
I got a peaceful easy feelin' *And I know you won't let me down* *'Cause I'm already standin'* *On the ground*	*I got a peaceful easy feelin'* *And I **Trust** you won't let me down* *'Cause I'm already standin'* *On **solid** ground*
And I found out a long time ago What a woman can do to your soul Aw but she can't take you any way You don't already know how to go	And I found **CONNECTION not** so long ago What a **culture** can do **with common goals** Your **CHARACTER** can't take you any way You don't already know how to go
I got a peaceful easy feelin' *And I know you won't let me down* *Cause I'm already standin'* *On the ground*	*I got a peaceful easy feelin'* *And I **TRUST** you won't let me down* *Cause I'm already standin'* *On **solid** ground*
I get this feelin' I may know you As a lover and a friend This voice keeps whisperin' in my other ear Tells me I may never see you again	I get this feelin' I **need CLARITY** As a **colleague** and a friend This voice keeps whisperin' '**bout COMPETENCY** Tells me I may **need more trainin'** again!
	I got a peaceful easy feelin' *And I **TRUST** you won't let me down* *Cause I'm already standin'* *On **solid** ground*
	And I found out a long time ago What **COMPASSION** can do to your soul **Seven pillars of TRUST now listed out of eight** **I guess this is where CONTRIBUTION should** go?
I get a peaceful easy feelin' *And I know you won't let me down* *'Cause I'm already standin'* *Yes I'm already standin'* *Yes I'm already standin'* *On the ground*	*I get a peaceful easy feelin'* *And I **Trust** you won't let me down* *'Cause I'm already standin'* *Yes I'm already standin'* *Yes I'm already standin'* *On **solid** ground*
